# PARTY BUS LIMO

Our Party Bus Limo is a **BRAND NEW** and we own 2 of the 4 currently built in the UK. It features a full karaoke system, excellent lighting, capacity for 16 people, big enough for you to stand and even dance in, full leather interior and more...

- Mercedes sprinter '**stretched**' and built by Coach Builders with the superior knowledge of 'Entertainment on Wheels'. 58 plate and 59 plate, brand 'spanking' new.
- **42 inch Plasma** screen at the rear of the bus and a 22 inch screen near the front of the bus for full **DVD** playback of any movie with Superior quality '**pumping**' surround sound. The 42 inch Plasma screen is also available for use with the **Digital Dual Karaoke** system.
- **The Digital Dual Karaoke** system has two microphones and stores approximately 3000 songs.

- Full connectivity for most **Apple iPod** systems and USB connection for MP3 and MP4 playback.
- **Cooler fridge** to keep your drinks nice and cold all night long, **fully equipped bar** with all the glasses you will need for your night on the town. **Champagne flutes** and napkins for those more romantically inclined and want to feed their lover **strawberries**. The bus can be fully decorated with balloons,

banners and any other decorations for your special occasion. Soft drinks are supplied also as part of the package.

- **Amazing Neon lighting** system inside and outside the bus along with other excellent lighting systems to turn your evening into a '**Rolling Disco**'. Under body neon lights make the limo look very 'snazzy' when you pull up to your destination, and a handy thing when you're trying to find the step when you're rather inebriated.
- Top of the range **CD sound system**, so you can bring along all your favourite CD's or even make your own compilation for the night.
- Fully heated for the winter, and efficiently '**air conditioned**' for the summer. With **leather** side facing seats your never far away from each other and always near one of the bars.
- Driver/Passenger **privacy curtain** and blacked out windows means you are totally private once the door is closed.
- Electric slide doors for your convenience, Fire exit and all our buses are security tracked and tagged for **YOUR SAFETY**.
- All our vehicles carry the new COIF (Certificate of Initial Fitness) that is required by VOSA, (the government agency for Large Limousines and other vehicles) to be fully legal on the roads and insured. (Be aware that many Limo Hire companies are not covered.)
- We are:
  - A fully legitimate and licensed operator. A limited company subject to all UK law. Also we are **FULLY INSURED** for YOU OUR CLIENTS.
- Prices for hire start at £200.00 one way or £395.00 return journey.

Buses can be viewed at any time at our base in Staines, Middlesex. Please call, email or use the contact form on our website ([www.whatlimouk.com](http://www.whatlimouk.com)), to book a viewing or request more information.
